## Introduction

The District of Columbia, Office of Tax and Revenue (OTR) Specifications for Electronically Filing District Health Coverage Information Returns for Software Developers and Transmitters (Processing Year (PY) 2020), outlines the transmission format, business rules and validations for information returns transmitted electronically. Applicable entities should file the same information returns that they file with the IRS including:

- **Form 1094-B**, *Transmittal of Health Coverage Information Returns*
- **Form 1095-B**, *Health Coverage*
- **Form 1094-C**, *Transmittal of Employer-Provided Health Insurance Offer and Coverage Information Returns*
- **Form 1095-C**, *Employer-Provided Health Insurance Offer and Coverage*

NOTE: This specification booklet does not contain information or procedures for filing Form 1095-A.

## Purpose

The District of Columbia enacted legislation that requires all District residents to have minimal essential health care coverage, or have a coverage exemption or pay a tax penalty for tax years ending on or after December 31, 2019. [See Individual Taxpayer Health Insurance Responsibility Requirement Amendment Act of 2018, effective October 30, 2018 \(D.C. Law 22-168\)](#). Those requirements were codified in a new Chapter 51 to Title 47 of the D.C. Official Code.

Insurance companies, businesses providing insurance to their employees, and other applicable entities and third-party service providers that provide minimum essential coverage are required to file returns consistent with D.C. Official Code § 47-5105 as well as other information required by OTR.

All filers are required to file the Health Care Information Returns electronically even if they file less than 250 information returns via the OTR web portal, [MyTax.DC.gov](https://mytax.dc.gov).

Additional information is found in OTR Notice 2020-04, dated March 31, 2020, and available on the DC website, <https://otr.cfo.dc.gov/node/1470711>

## General Information

All submitters must register to create a logon ID through our web portal, [MyTax.DC.gov](https://mytax.dc.gov). This is a one-time registration. For assistance on obtaining a logon ID or authorizing a third-party to submit the Health Care Information Returns, please review the tutorials/FAQs on the web portal. Instructions are also included in these specifications.

## Filing Deadline

For tax year ending December 31, 2020, the deadline is April 30, 2021.

## Bulk File Submission Layout

Refer to the website, <https://otr.cfo.dc.gov/node/1447081>

## Sample Output

Refer to the website, <https://otr.cfo.dc.gov/node/1447081>

## 1094-B/1095-B and 1094-C/1095-C Upload Specifications

Files must be created using a **pipelimited text (.txt)** file format. XML, excel, Zip or compressed files will **NOT** be accepted.

Files 250MB or larger must be submitted as multiple submissions. Files that are 250MB or larger will be rejected.

Use a naming convention such as ABCCo1094BC.txt, ABCCo1095BC.txt. There are no restrictions on the naming convention.

Do not use any special characters in text fields such as commas in the string fields unless they are nested in quotes (").

Do not submit duplicate files, they will be rejected.

## File Status

**ACCEPTED** - File has passed all quality checks and an email will be sent to the submitter that displays “Pending” status.

**REJECTED** - File did not pass quality checks. All errors will be displayed after hitting the submit button and front-end validations occur. The file should be corrected and re-submitted for processing.

**COMPLETED** – Processed submissions denoting the bulk submission has been processed. There is no return level completion, just that the file was processed.

## File resubmission for rejected files

After front-end validations, errors will be displayed to the submitter. A single error WILL reject the entire file. The submitter may remove the record or correct the record and re-submit. We are only accepting valid format bulk submissions.

## Correction Process

**Corrections can only be made to previous submissions that have been ‘Accepted’.** Corrections for DC should be filed as soon as possible. Submissions containing correction records must only contain corrections and should not include any ‘Original’ records. Corrections may be filed for the following form types:

- Form 1095-B
- Form 1094-C, Authoritative Transmittal only
- Form 1095-C

DC will follow the same rules as the IRS as contained in IRS Publication 5165 (rev. 11-2020), the Guide for Electronically Filing Affordable Care Act (ACA) Information Returns for Software Developers and Transmitter (Processing Year 2021).

Do not submit original and corrected documents in the same file.

If a correction is in error and needs to be corrected, submit a Correction to the most recently accepted Correction – **File only one Correction per unique submission.**

## Registration

You must have a MyTax.DC.gov web logon in order to access the electronic bulk filing of 1094/1095. The individual completing the registration will be considered the ‘Administrator’ of the account. Do not use an incorrect FEIN/SSN when registering.

There are two methods to sign up to use MyTax.DC.gov:

- If you are a DC taxpayer, answer 'Yes'
  - Enter your FEIN and the notice number from any notice you have received from OTR. If you did not receive a notice, you can enter your last tax due amount or select the 'Last Tax Due is \$0.00' checkbox. If you do not know the last tax due amount, contact the account administrator.
- If you are not a DC taxpayer, answer 'No'
  - If you selected 'No' and the system prompts that an account exists for the FEIN entered, this is an indication that your company does have a presence in DC. Therefore, you will need to contact your company representative in order to obtain logon credentials to [MyTax.DC.gov](https://MyTax.DC.gov). If that individual within your company is unknown, a representative from OTR's Customer Service Administration can assist you in identifying that individual. Contact them at (202) 759-1946 or email [e-services.otr@dc.gov](mailto:e-services.otr@dc.gov).

For either answer, complete all information, including a security question and an email address. Press 'Next' to continue.
